I thought I would fill you in on my adventure. lol

On Dec. 26th driving my daughter's Mustang with her in it, extremely snowy, icy and cold.

Needless to say we slid into a ditch, and I put my Triage light on the roof, and a nice man stopped to pull us out and escort us back to civilization.

I tried to pay him but he refused. He did like my light so I gave him one of mine and a brochure.

He works in the oil field and was very appreciative. THANKS !!! THANKS!!

You know I appreciate you and all you are doing!! Keep up the good work.

Lisa.
